A Message from The Crisis Intervention Team, Woodhouse Close Church Community Centre, Bishop Auckland

Dear staff and pupils

We would like to personally thank you for the recent donation you made to the food bank element of our Crisis Intervention Project.

Every donation received is vital to help us to continue to assist those within the community in most need. We wouldn't be able to support as many people as we do without the continuous and generous donation from people like yourself.

With our grateful thanks

The Crisis Intervention Team
