

Etherley Lane Early Birds

We are hoping to relaunch our Early Birds Club and once again offer our wrap-around childcare very soon. In order for us to be able to do this in the safest possible way, we need to know how much demand there will be on each day. The Early Birds Club will open at 8:00am every morning and will provide childcare until the start of the school day for each pod. The new cost of this will be £3.00 per child, per day. If attending the club, your child will have the opportunity to have a free breakfast, with a choice of cereals and porridge.

If you will require wrap-around childcare when we relaunch our Early Birds Club, please follow the link to the main school email address: etherleylane@durhamlearning.net and **send us an email with the title 'Early Birds' and type your child's name, class and the days that you will require childcare.** If you do not require this wrap-around childcare, you do not need to send us an email.

Once we know how many children wish to attend our Early Birds Club, we will send further information about when it will restart and how places can be booked.

Thank you.
