

ETHERLEY LANE PRIMARY SCHOOL

NEWSLETTER- 7th May 2021

Happy Friday! We hope that you all had a lovely bank holiday weekend! We have been really impressed with the children's reading progress on Accelerated Reader since returning to school after the Easter break. Well done to all of our fantastic children- remember to keep reading!

Contact Details Reminder

Please remember to inform us immediately if your contact details change so we have the most up-to-date information on our records and are able to contact you in case of emergencies. Please also remember to inform the school office if your child is absent from school.

Current COVID-19 Guidance

If your child is feeling unwell before school and is displaying symptoms of coronavirus, please contact the school office for further advice. Current government guidance states that if your child or someone in your household is displaying symptoms of coronavirus (a high temperature, a new, continuous cough or a loss or change to your sense of smell or taste), everyone in your household must isolate immediately and the person displaying symptoms must go for a PCR test (a test that is sent to a lab). A lateral flow test is not advised. When you receive the results of the PCR test, it is important that you inform school immediately. For further information and guidance, please follow the link below:
