

Mayor Katie Visits School

On Thursday morning we had a special visit from Mayor Katie who came into school to personally thank us for our amazing entries into the Bishop Auckland Town and Horticultural Show which took place last weekend. The town council had been super impressed with all of our entries as had visitors to the show, we even got a special mention in the Northern Echo article. Mayor Katie presented all classes with a certificate and every child will be coming home with some sweets tonight as a thankyou from the Town Council. We always love to support our local community at Etherley Lane and are all feeling really proud of our achievements this week.

School Photographs.

Tempest will be in school on Tuesday 23rd November to take our school photographs this year. We have been assured that all photographs will delivered before Christmas.

Stars of the Week ☆☆☆☆☆☆

Class 1 – Mia	Class 6 - Leighton
