

ETHERLEY LANE PRIMARY SCHOOL

NEWSLETTER – 26th November 2021

What a great and varied week we have had. Everything from climate change to school photos to Christmas preparation.

That's how we roll at Etherley Lane!

CLIMATE CHANGE

Wow! We have been overwhelmed with the generosity from our families this week. The amount of clothes and accessories that have been donated to school to go on to be donated to local charity shops is unbelievable! Thank you so much, it's very much appreciated. It was fantastic to see our children arriving in school today wearing green to combat climate change. The children have been learning all about climate change and issues surrounding it. Each class has taken part in different activities and if you take a look at our Facebook page you'll be able to see exactly what the children have been doing today...enjoy!

CHRISTMAS TREE FESTIVAL

What a wonderful effort our children have made creating some absolutely beautiful Christmas decorations to display on our very own tree at St Anne's church. The theme was 'At the Heart of Christmas' and they really have captured our hearts with their creativity and phenomenal work. As always, we are beaming with pride! You can view the tree for yourselves this weekend at St Anne's church at the following times:

Friday 26th November – 4 - 8pm

Saturday 27th November – 2 - 6pm

Sunday 28th November – 2 - 4pm

If you get the opportunity to visit please take a photo of your child/ren with the tree and send it in to us. If we get a good selection we can create a Christmas display in school.

FOOTBALL TEAM

Another amazing week from our team, once again they showed fantastic teamwork and exceptional sportsmanship. You make us incredibly proud every week, keep it up boys.

The score this week:

Etherley Lane 1 – 0 Stanley Crook.
