## NEWSLETTER – 13th May 2022

What a fantastic week we have all had; our children have been as amazing as always!

### CLASS 5

As part of their Science lessons, Class 5 have been studying different types of rocks. This week, as part of their learning the children have been classifying them according to their properties. They did an amazing job as you can see by the photographs. Well done Class 5!

### CLASS 8

This week, Class 8 have used their creativity to tie-dye their very own T-Shirts. The children asked whether they could showcase their new designs in our celebration assembly on Friday morning and they can't wait for the rest of the school to see what they have been busy with. Watch this space for the final products to be coming out from the school gates!

### EYFS

In our Reception classes this week, the children have been making 'Self – Praise Jars.' They have been thinking about all of the fantastic things that they can do and what makes them wonderfully unique. They then put all of these attributes into their very own jars. Each day, the children will be able to pick something out of their jar to remind themselves of how truly amazing they are. Well done Reception, you really are incredible!

## YEAR 6

We're so proud of all of our children at Etherley Lane – but this week we have been exceptionally proud of our Year 6 children. The children have approached their Sats tests with fantastic attitudes, brilliant perseverance and a smile every single day! Their positive behaviour and “can do” attitudes are a real credit to them and a reflection of what it means to be a child at Etherley Lane 💙💙 The teaching team in Year 6 have also been incredible in teaching and supporting our children to be the very best they can be while also making their learning fun and memorable – This week we have included Mrs Summerson, Miss Wilkinson, Mrs Thompson and Mrs Yates in our Stars of the Week at Etherley Lane!
