CLASS 8 TRIP

Class 8 had a wonderful day at Beamish Museum on Thursday as part of the learning they have been doing in History about the Mining industry. The children explored the Pit Village and chatted to re-enactors to find out what life was like at that time. Then the children took part in a workshop all about the 1842 Collieries Act to stop women and children working in the Mines, where they heard lots of opinions from different characters and had to decide whether they thought the act should have been passed. Class 8 had a lovely lunch in the sun and explored the 1900's town to round off their exciting day.
